MEET OUR FAMOUS NEIGHBOR ITINERARY

Morning

Arrive in Indiana, Pennsylvania at the Jimmy Stewart Museum

Start your visit out with Jimmy's hometown tour. The bus travels past the site of where he was born, his boyhood home, his grandfather's home and the statue in his honor. The group will enjoy the humorous tales of Jimmy's life as he grew up in Indiana, Pennsylvania.

Tour of the Jimmy Stewart Museum

In the Museum, the group will see a collection of Stewart memorabilia that represents his accomplishments as an actor, military figure, a civic leader, a family man and a world citizen. The Museum is over 5,000 square feet and consists of murals, personal items from both Stewart's movie and military careers, a gift shop and a 50-seat theater. While at the Museum, the group will view a biography of Mr. Stewart. You may even be greeted by a "special character", such as Clarence, Harvey, or a Jimmy Stewart impersonator.

Lunch

Options include a meal at one of our local restaurants or in Smicksburg at the Amish Wedding Feast, where guests enjoy a traditional wedding dinner complete with a narrator explaining Amish wedding traditions as well as customs of the Amish folk.

Afternoon

Arrive in Punxsutawney, Pennsylvania – the Weather Capital of the World and home of the famous groundhog, Punxsutawney Phil.

A step-on guide will meet the group and the tour will include a drive to Gobblers' Knob, a visit with Phil, along with a presentation by the Inner Circle group, a tour through the town and a stop at Punxsutawney Phil's Souvenir Shop.

This itinerary can be adjusted in several different ways. It can be expanded into a 2 day tour and it could also be done as a Mystery tour. There are several choices for restaurants and we are very willing to revise this sample itinerary to suit your individual group needs.
