1 - **You Are Somebody To Be Loved**

Sabrina Dorsainvil

138 E Market St

Side of E Market St Dental facing S East Ln

This bright, colorful mural depicts a group of people with the words "You Are Somebody To Be Loved". Artist Sabrina Dorsainvil is fascinated by people: the way they move, speak, touch, interact and experience environments, objects and each other and it is reflected in her murals.

2 - **Remembered and Never Forgotten**

Souls

40 S Stewart St

This mural shows admiration and respect to the original people who lived on this land. Dedicated to the woman and child that were excavated here in Blairsville. The graffiti piece says Souls, which is the artist's name. Souls wanted to bring well painted graffiti to the area to show that this art form is beautiful, important and perhaps the largest art movement in history. If it wasn't for graffiti, all of these murals wouldn't exist.

Justin Suarez

Lena McCarthy
