

## YOU MAKE IT HAPPEN

We're almost there – thanks to the generosity of early leadership gifts, over 70 percent of the funding is already committed.

**HELP US REACH OUR GOAL!**

## YOU CAN HELP

Thousands of people will pass through the YMCA and Mack Park for many years to come. We invite you to leave a legacy and support this important community project.

**Buy a paver, leave a legacy and help pave the way for health and wellness in Indiana County!**

Paver campaign donors' names will be engraved on the pavers.

## Paving the Way to Health and Wellness Campaign

**Large Paver \$2,500**  
(Over 2 years/approx. \$104 per month)

**Small Paver \$1,000**  
(Over 2 years/approx. \$42 per month)

## Our Campaign for Community Wellness

TRANSFORMING COMMUNITY HEALTH & WELLNESS

## PAVING THE WAY FOR HEALTH & WELLNESS IN INDIANA COUNTY

For more than 50 years, the YMCA & the JS Mack Foundation have worked together to build a stronger community.

## THE NEED

Our organizations have come together in response to the growing need for health, wellness, camp, adaptive sports, leadership and sports programming for youth teens, adults and seniors in this area, strengthening our community by transforming health and wellness in Indiana County is our priority. That's why we must continue to ensure everyone has the opportunity to learn, grow and thrive in their health and wellness journey. To meet the needs of our community, the YMCA and Mack Park have launched a campaign to transform Health and Wellness in Indiana County.

The Y plans to expand and repurpose spaces that “build a healthy spirit, mind and body for all”, almost doubling our facilities and adding thousands of hours of new programming. Y plans include:

- New wellness center
- Group exercise studio expansion
- Increased multipurpose room space and community rooms
- Facility renovations including locker room upgrades, teaching kitchen, general improvements to rec center, floors, lighting, equipment and infrastructure improvements

Mack Park facility improvements and renovations include a new pavilion, picnic tables, equipment, signage, upgraded playground, pool improvements as well as operating and maintenance of the park, trees, environmental improvements, and accessibility to existing outdoor spaces in Mack Park.

## FUTURE IMPACT

What does this mean for residents of Indiana County?

- Access to wellness for thousands
- Exercise and recreation help the community better manage and reduce chronic conditions and diseases
- The YMCA manages the community pool at Mack Park and Mack Park is home to the Y's robust summer camp program
- Fully ADA compliant playgrounds and pools
- Adaptive programs that eliminate barriers for developmental and intellectually disabled adults and children
- 2,000 meals per week feed underserved children through the Y's afterschool meal program and in the Summer Youth Café at the Mack Park Pool
